Information and Informed Consent for Treatment

You will be informed in the event that any information is released without your expressed consent. Information may be released without written permission only 1) when a court order is received, 2) when there is reasonable cause to believe that child abuse or neglect has occurred, 3) when there is reasonable cause to believe that there is clear and imminent danger to self and/or others, 4) when a medical emergency exists, and 5) when required for insurance billing.

A release of information must be obtained before any information could be provided to or requested from other individuals.

Patient Rights -In accordance with the Oregon Mental Health Code, all patients have the right to:

Be treated with respect and dignity.

Receive appropriate care and treatment, employing accepted methods and approaches most appropriate for specific problems and needs.

Be informed of any alternative treatment methods available, if any.

Be informed of risks, if any, associated with the treatment to be undertaken.

Have an individualized service plan, reflecting problems and/or needs identified for or with the patient and /or family.

Actively participate in the development or modification of one's treatment program.

Refuse proposed treatment which the patient does not wish to receive unless otherwise ordered by the court.

Know the name and credentials of the therapist.

Have access to records.

Lodge a grievance if there is reason to believe these rights have been violated.

Patient Responsibilities

Become actively involved in treatment goals and share periodic reviews with your therapist to assure each other of productivity and that we are working toward desired outcomes. If the patient is a minor, the parent(s) or guardian(s) of the child agree to actively participate in the healing of the family by establishing family treatment goals.

Assume control of all payments to the therapist at the time of services.

Notify your therapist at least **24 hours in advance cancellation** of any scheduled session. Emergency definitions are at the provider's discretion and include but are not limited to hospitalization, legal matters, but do not include transportation issues, minor illnesses (unless negotiated with provider), vacations, ineffective appointment tracking et al. Appointments are the patients and/or parents responsibility and reminders from the provider should not be expected. Failure to comply with the cancellation policy will result in a "missed appointment" fee which is a rate established by the provider. Please note that this fee is not the responsibility of your insurance company. Patient is responsible for all charges not covered by insurance and collection/attorney if applicable.

Thank you for asking me to participate in your health care. The following is an outline of my office policies. I ask that you take the time to read, initial and sign at the bottom of this form. Please ask any questions you may have before signing this agreement.

One of my billings goals is to minimize clients accruing large balances on their accounts, which may be a hardship later. Therefore:

- ___ 1. I ask that your appointments be paid in full until your annual deductible has been met. Thereafter, I ask for a co-payment that is commensurate with your insurance policy at each scheduled visit.
- ___ 2. If you have no insurance coverage, I ask that you pay for each visit at the time of the appointment.
- ___ 3. If you have billing questions regarding your account you may contact my billing service, Metropolitan Health Provider's Billing Service. M.H.P.B.S. will be billing your insurance company and sending you a monthly statement of your account. Please make sure that you update M.H.P.B.S. promptly of any changes to your address, phone number or insurance plan. M.H.P.B.S. can be reached at 249-0181.
- ___ 4. In the event that we are unable to collect on your account please be advised that any uncollectible fees may be turned over to Active Credit Corporation. In the event that your account is turned over to a third part for collections, the third party may be notified of the reason for service, i.e., Counseling. We will make every effort to work with you before this happens.
- ___ 5. Since rebilling accounts is costly, balances due over 30 days will be charged a \$10 rebilling fee. All returned checks are subject to a minimum \$10 service fee.
- ___ 6. Please understand that we can only discuss your account with the client on the account or the person(s) who signs as the Responsible Party on the account. We cannot discuss the account with spouses, parents or others unless they have signed to be the responsible party for the account or we have your signed permission.

Appointments not cancelled 24 hours in advance will be charged to you at the no-show fee. Insurance will not pay for missed appointments.
